

## **LI Appraisal Social Media Posts**

- Life changes. Shouldn't your life insurance change with it? Your policy may not be meeting your current needs and goals.
- Did you know that you may be paying premiums on a life insurance policy that isn't meeting your current needs?
- You've likely had your house, car and jewelry appraised. But why not your life insurance policy?
- By appraising your life insurance policy, we can pinpoint its strengths, weaknesses and any potential opportunities.
- We want to ensure that you and your family have the protection you deserve. Contact us today for a free life insurance appraisal.
